

Beginner Salmon School

Greater Niagara Fishing & Outdoor Expo 2022

Course Intro

Do you Walleye, Bass fish or even fish from the banks and want to expand your fishing to open waters of Lake Ontario or other great lakes. WELL New for 2022 is a great course for that exact angler. Sign up for the Beginner Salmon School and for 4 hours you will get all the information you need to get you stated salmon fishing. From Tackle, Electronics, Gear and boats everything you'll need to get started in this salmon fishing sport will be covered. Be careful though because when you hook into that first big ripping screaming king there's no going back **as your hooked on** Salmon Fishing. Sign up Now and Enjoy the course.
