2025 Lake Erie Walleye School

- This in-depth school is for the avid walleye angler who wants to improve their walleye catch from the eastern basin of Lake Erie. Attendees will learn how to:
 - Develop a systematic approach to consistently target and catch more and larger walleye in their time on the water
 - Maximize the use of their electronics to catch more walleye
 - Understand the impact that wind, currents, bait, light conditions, and water temperature and color have on catching walleye
 - Unlock the secrets to catching spring and fall walleye during the day
 - Effectively use both trolling and casting techniques throughout the season
