

# Greater Niagara Fishing Expo

February 13–16, 2025 | Niagara Falls, NY

- The Greater Niagara Fishing Expo attracts anglers from multiple states, including Canada, seeking both educational opportunities and access to exhibitors, all with the aim of improving their success in the upcoming fishing season.
- The Expo features four days of free fishing classes taught by local and regional experts, covering a variety of topics geared towards all skill levels and angling interests.
- The Expo provides exhibitors access to more than 170 booths to display and sell products, with the added option of facilitating seminars at an affordable price. In 2024, attendees typically spent around \$200 on products, participated in eight seminars, and visited for two or more days on average.
